MEETING IN PORTUGAL

Moita, 17th-23rd January 2016

**NAVY MUSEUM
DISCOVERIES ROOM
TEACHER'S GUIDE**

PLEASE, READ THIS INFORMATION

Our visit to the Navy Museum (Museu de Marinha) is scheduled in the morning. We will be divided in four different groups:

11:00 - 22 students and 3 teachers

11:15 - 22 students and 3 teachers

11:30 - 22 students and 3 teachers

11:45 - 22 students and 3 teachers

The Museum is very big, so will visit with more detail the entrance zone and the first room, dedicated to the Portuguese discoveries. There, the students will have a guide to fill in.

The groups will visit all the other exhibits at their own rhythm.

Although the rules are not very strict, the students must not talk loudly with each other inside the Museum.

A VISIT TO THE NAVY MUSEUM

You are about to visit the Navy Museum, located on the north and west wings of the Royal Monastery of Santa Maria de Belém, which you will visit this afternoon. This Museum was created due to the will of the king D. Luís and has been functioning in Belém since 1962.

It's a big museum, so will see with more detail the exhibition related to the Portuguese Discoveries.

Entrance

As you enter the museum this is what you see: a vaulted room with the statues of some Portuguese navigators, responsible for the discovery of new worlds, along the 15th century.

In the back of the room, a map, similar to the ones made in the 16th and 17th centuries, showing the main routes of the Portuguese voyages.

Image 1 (©museu.marinha.pt)

P1. Identify the figure represented in the statue that lies in the centre of the room.

Infante D. Henrique.

P2. In the map, identify two drawings used to characterize the African continent.

Palm trees, camels, rhinos...

P3. In the map, identify two drawings used to characterize the American continent.

Parrots, Amazon forrest, Amazon river...

Discoveries Room (Sala dos Descobrimentos)

In here you can see some models of the boats used in the first discovery voyages.

P4. Find a barge (barca) and draw it.

P5. Find a caravel (caravela) and draw it.

P6. Find a ship (nau) and draw it.

Find the model of the ship "Madre de Deus", one of the biggest of those times.

P7. What year was it built?

It was built in 1589.

P8. This ship's destiny was:

India X

Brasil

Africa

Walk through the room until you find, on your left side, the showcase with the remains of the ship "Nossa Senhora dos Mártires". Fill in the next table with the name of three objects from three different origins.

P9.

Name of the object	Country of origin

The students will choose the objects according to their preferences.

Watch very carefully the showcases where we can find several nautical instruments and try to identify the ones represented bellow.

P10.

Name of the instrument
Quadrante
Century
15th

Name of the instrument
Balestilha
Century
16th
